

"Success"

Ralph Waldo Emerson

To laugh often and much;
To win the respect of intelligent people
and the affection of children;
To earn the appreciation of honest critics
and endure the betrayal of false friends;
To appreciate beauty, to find the best in others;
To leave the world a bit better, whether by a
healthy child,
a garden patch or a redeemed social condition;
To know even one life has breathed easier
because you have lived.
This is to have succeeded.

What is success to you?

When do you feel like you have had some
success?

What helped you realize that you were
successful?

What can you do today to be successful?
